

About

Red-Mist Sports Cars was established in 1999 by Nigel Hudson after a career spanning 35 years in the motor industry. Based in the South of England, Red-Mist Sports Cars offers a comprehensive service for almost any high performance vehicle.

Red-Mist Sports Cars are the sole agent for the Spectre R42. Before Spectre Sports Cars relocation to Milton Keynes from Dorset, Nigel worked as the head of development on the R45 including producing the first prototype.
